CIM Scholarship Luncheon, CIM Patrons Arrange New Scholarship for Middle Tennessee

CIM Patrons Ward Poston & Kyle Weatherly attended the CIM Scholarship luncheon, taking part in awarding a few of the 20% of students that receive scholarships from CIM every year. In addition to the many current scholarship offerings, CIM President Nicholas Edwards pursued an opportunity to work through the specific wishes of an extremely generous individual. While this individual wished to remain unnamed, their success in the construction industry, and belief in CIM, led to the creation of a scholarship for Middle TN area students.

AN INVITATION FROM DR. HEATHER BROWN

Dear Patrons,

I want to invite you to participate in the **13th annual** fundraising golf tournament to benefit the School of Concrete & Construction Management (CCM) at Middle Tennessee State University. Proceeds from this event will go toward the CCM Building Campaign and student support. **Last year over \$76,500** was raised.

With your support of the programs and building campaign, MTSU will be able to create a state-of-the-art facility to house the school as it moves toward even higher levels of prominence and success. This is a great opportunity to support education and have fun on the golf course with colleagues in the concrete and construction industry.

I invite you or your company to become a **Building Sponsor**, or any other levels of sponsorship at the tournament, and to sign up your foursomes soon. This is always a great event and a great time!

Thanks for your continued support. Best Regards,
Heather Brown, Director

Please contact me directly if you can join the Patrons in helping build, grow, and develop the CIM future.

Respectfully, Nick Edwards - CIM Patrons President - 423.260.7842 - nedwards@seqconcrete.com
